NEW GAS CENTRAL HEATING SYSTEM INSTALLED

DC Lane are thrilled to present this charming mid terraced family home centrally located in Cattedown with easy access to the A38, City Centre and within walking distance of the Vue Cinema complex and Sutton Harbour pedestrian bridge to Plymouth waterfront.

The property benefits from a convenient layout for family life, and comprises living room with gas fire, separate dining room, kitchen and utility room with door access to the garden. The bathroom has a shower over the bath. Stairs rise to the first floor with three bedrooms (two doubles and a single) Externally the low maintenance rear garden is private and enclosed.

Although the property is in need of some modernisation which is reflected in the price, it presents a fantastic opportunity for you to put your own stamp on it and create the home of your dreams. The roof was replaced in 2005 with a 30 year guarantee and new front door and windows were installed in 2021 with a 10 year guarantee. A new gas central heating system has just been installed within the last few weeks. Presented in good order and flooded with natural light throughout, no onward chain completes the appeal of this lovely family home.

Please note a new EPC is being commissioned to reflect the gas central heating.

£185,000
