A garage with power provides additional storage or workshop potential, complemented by a neatly lawned front garden. The standout feature of this home is the thoughtfully landscaped for low maintenance sun-drenched rear garden, a true suntrap that enjoys sunlight throughout the day in various seating areas, offering the perfect setting for al fresco dining, entertaining, or simply unwinding in complete tranquility.

Internally, the property offers a dual-aspect lounge/diner with sliding patio doors on both sides, allowing for abundant natural light and seamless indoor-outdoor flow. The kitchen provides ample storage with a range of fitted units and a versatile third bedroom could also serve as a study or home office.

To the first floor there are two well-sized double bedrooms, one with built-in wardrobes, alongside a practical storage room. A bathroom, separate WC, and additional built-in storage further enhance the home's functionality.

While the property would benefit from modernisation, it presents an excellent opportunity to create a bespoke family home in a highly convenient location. Offered with no onward chain, this is an ideal choice for buyers looking to personalise their next home and a viewing is highly recommended.
