DC Lane are extremely proud to introduce to the market this exquisite Edwardian townhouse located in the highly sought after 'Stoke Damerell Conservation Area' within strolling distance to fashionable Stoke Village, walking distance to the City Centre and with easy access to the A38 and major routes.

Having undergone a major refurbishment programme throughout this superb property is arranged over three storeys and offers a wealth of character features including period fireplaces, stripped floorboards and sash windows. The welcoming hallway opens into a lovely reception room featuring a navy woodburning stove and a further reception room would make an ideal dining room or home office. The modern kitchen with plentiful cupboards and generous island features a hot water tap and a decorative period stove opens into the garden facing breakfast room with velux window, bifolding doors as well as side doors to the garden from both rooms. With natural light flooding through this most certainly is the 'heart of the home.' To the first floor there are two double bedrooms, the spacious master spanning the width of the property with built in wardrobes and are serviced by a well appointed family bathroom including shower enclosure and a separate shower room. There is also the most wonderful utility area, a clever interior design statement positioning within the middle of the home. Rising to the second floor there is door access to a walk in loft storage area, two further double bedrooms with velux windows enjoying elevated views and a single bedroom.

Externally, the pretty walled courtyard garden is private and secure making a wonderful space for relaxation or alfresco entertainment with a gate leading to the rear service lane.

We believe this splendid property is attractive to families, due to the catchment area for excellent local schools and couples alike. Oozing character and charm a viewing is highly recommended - an exceptional home in an enviable location
