Positioned within the iconic Ocean Court development, adjacent to Mayflower Marina, this exceptional ground floor apartment offers an unrivalled opportunity to own one of Plymouth's most enviable waterfront homes. Designed in the late 1970s to reflect the graceful lines of an ocean liner, Ocean Court remains one of the city's most distinctive and sought after developments, set behind secure electric gates and enjoying a truly unique marina front setting.

Owned by the same family since the building was first constructed it would benefit from modernisation, however the breathtaking location and uninterrupted views create an extraordinary canvas to transform into a spectacular waterfront home.

Through a private entrance your attention is immediately drawn beyond the living space to the panoramic outlook across Mayflower Marina. The ever changing scene of luxury yachts and sailing boats creates a captivating backdrop, extending beyond the marina towards the Tamar Estuary and the historic Royal William Yard. The open plan living space has a fitted kitchen with integrated appliances, a peninsula breakfast bar and sliding doors open onto an impressive balcony spanning the entire length of the apartment providing ample room for balcony furniture. Whether enjoying morning coffee as the marina comes to life or watching the sun set over the estuary, this is a setting that is simply impossible to tire of. The double bedroom also enjoys direct access to the balcony through sliding doors, allowing you to wake each morning to the same spectacular waterside panorama. There is a built in wardrobe while the bathroom includes an airing cupboard. Two further storage cupboards in the hallway ensure practicality. Adjacent to the apartment is a private carport together with an external store, ideal for bicycles, paddleboards or sailing equipment.

Properties with this position, outlook and potential are exceptionally rare, this is a lifestyle purchase as much as a property investment.
